Dear Secretary

10% DISCOUNT OFF WITH P&O FERRIES

P&O Ferries is pleased to confirm that the NI Federation of Clubs has negotiated a deal to avail of a year-round 10% off online bookings on our Larne – Cairnryan route; the shortest, fastest crossing between Northern Ireland and Scotland. This will be particularly handy for those far out dates where you want to get things booked in well in advance, or when you just have one or two cars heading away. As a member club, you can avail of this discount by:

- 1) Visiting www.poferries.com/nifed (Note: If you have any issues viewing the page in Chrome, clear your cookies or try opening it in Internet Explorer)
- 2) You'll be asked to enter your club name, email address and the following code (which is case sensitive): **NIFED10**

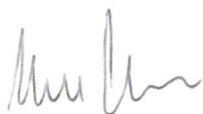

... You can then proceed to book the date/time of sailing you need and the discount will then automatically be applied.

Of course, the option still exists for you to check our public online offers first to see if there's an alternative offer that may suit your needs better at the time you are booking.

GROUP TRAVEL

Please note that under our **Clubs & Societies Programme**, for occasions when your club may wish to book group travel – whether that be a coach/minibus or five or more cars on one of our sailings – we would encourage you to contact me, as we will probably be able to do you an even better discount for your specific dates for group travel: Michael.Callaghan@POferries.com /028 2887 2173.

Yours faithfully
